International Foundation

ABOUT BRAZZA

(BIF) is a non-profit organization in the United States with a strong mission to enhance the quality of education, health and contribute to the socio-economic development in the rural communities in Ghana and other parts of the developing countries.

We believe in the value of helping the Children in West Africa and want to support them by becoming a FRIEND of BIF. BRAZZA International Foundation relies heavily on donations to further its mission. All contributions go directly towards program related services. To make a contribution, please visit our website and make a friendly donation towards our services
